## EMPLOYMENT OPPORTUNITIES

We are searching for a

### Maintenance Technician - Northampton Hatchery

Marine Harvest Atlantic Canada is currently seeking an individual to join the team as full-time, permanent Maintenance Technician at the Northampton hatchery near Woodstock New Brunswick. Reporting to the Hatchery Manager, the incumbent will plan and carry out maintenance of the facility.

#### RESPONSIBILITIES:

- Bring all site assets up to a high standard of condition and performance.
- Engage and manage contractors as required.
- Develop, plan, budget and implement projects as required.
- Establish and implement a preventative maintenance program for all assets.
- Source and order parts and maintain spare parts inventory.
- Ensure the safety of staff and of outside contractors working on site as per Marine Harvest Atlantic Canada policy and procedures.

#### QUALIFICATIONS:

- "Red Seal" certified a definite asset.
- Minimum of 3 - 5 years maintenance experience.
- Ability to develop and manage a preventative maintenance program.
- Must be a demonstrated decision-maker who easily interacts with others.
- Must have excellent interpersonal, organizational and communication skills.
- Working knowledge of MS Word, Excel and e-mail, a definite asset.

If you possess the attributes we desire, and want to make a difference with a progressive, growth-oriented company in a dynamic global industry, please apply within January 26, 2018 via <http://marineharvest.ca/people/employment-postings/>

*Marine Harvest is the world's leading seafood company and the largest producer of salmon. Present in 24 countries, each day our 12, 700 employees worldwide produce 5.5 million healthy and delicious meals, served to customers across the globe. Marine Harvest covers the whole value and production chain, from feed to plate, and through our vision of leading the "Blue Revolution" we are dedicated to farming the ocean in a responsible and efficient way. With the market for salmon in North America continuing to develop favorably, and with a long established presence in British Columbia, Marine Harvest will now build a new business unit in Atlantic Canada. Recognized as global leaders in sustainability, safety and innovation, Marine Harvest is headquartered in Bergen, Norway, and is listed on the Oslo Stock Exchange.*

*Founded in 1985, Northern Harvest Sea Farms is a proven producer of top-quality farmed salmon in Atlantic Canada. In fact, our company has grown to become one of the largest aquaculture companies in North America.*
